

RATE SCHEDULE 601-A
WHOLESALE SALES
(Less than 5,000 Dth annually)

Availability

Wholesale natural gas service is available under this rate schedule to gas utility companies or systems which purchase their entire gas requirements from the Company for resale and distribution to their Customers and whose annual consumption is less than 5,000 dekatherms (Dth) during the previous twelve (12) consecutive month period. Such service shall be provided at any point on Company's system where adequate capacity and gas supply exists, or where such capacity and gas supply can be provided in accordance with the rules of the Oklahoma Corporation Commission and at a reasonable cost as determined by the Company in its sole opinion. Such service is also available to a qualifying customer that is on the system of another pipeline with respect to which the Company has an agreement with such pipeline who is taking gas pursuant to a tariff for such service but only to the extent that; (1) the meter for such customer exists as of the effective date of this tariff, (2) service is required by operation of law, or (3) service is agreed to by such pipeline. Gas service is not available under this rate schedule for resale to other utilities. Under this tariff the Company performs or causes to be performed all functions necessary to transport the gas commodity from wellhead to the custody transfer point.

Each July, the Company shall determine the previous twelve (12) months' consumption, and the Customer's placement within the rate schedules shall be adjusted accordingly, if necessary, effective with the August consumption month and coinciding September billing cycle. Such determination shall be valid until the next determination is made.
