

**RATE SCHEDULE 705  
COMPRESSED NATURAL GAS SERVICE  
CUSTOMER SUPPLIED FACILITIES**

**Availability**

Natural gas service under this rate schedule is available to any individually metered commercial or industrial customer for providing gas service to a compressed natural gas facility, at any point on Company's system where adequate capacity presently exists, or can be provided in accordance with the rules of the Oklahoma Corporation Commission, or the system of another pipeline with respect to which the Company has an agreement with such pipeline or is taking gas pursuant to a tariff for such service but only to the extent that: (1) the meter for such customer exists as of the effective date of this tariff; (2) service is required by law; (3) service is agreed to by such pipeline. The customer will provide, install and maintain all necessary compression facilities including the equipment to be installed on the Customer's vehicles. The Customer is required to provide electrical service and power to the compression facilities.

Gas service under this rate schedule is available only with the Company as the sole supplier or transporter of natural gas for Customer, and is not available for standby or supplemental service or for resale to others in any form except as compressed natural gas for motorized vehicles. Gas sold under this tariff is provided exclusively for compressed natural gas service and shall not be used by the Customer for any other purpose. The minimum period for which service under this rate schedule is available is one (1) year.

**Rate**

The charge for recorded consumption of gas at one point of delivery in any month is as follows:

All consumption @ .01628 per Therm

The Customer shall be responsible for payment of all federal and state road taxes.

NOTE: Meter readings will be recorded in hundreds of cubic feet (0.1 Mcf) or multiples thereof.
